Golfplatz-Check: «TERRE BLANCHE GOLF RESSORT»

Ein ganz besonderes Gefühl...

hatten wir schon im freundlichen Lächeln des Pförtners, das uns aus seiner Loge der imposanten Einfahrt des Golfresorts *Terre Blanche* entgegenwahrte.

Hier, in der Nähe der provenzalischen Dörfer Tourettes und Fayence, hat Dietmar Hopp, selbst leidenschaftlicher Golfer, dieses 100 Hektar große Dienstleistungsparadies geschaffen, das Unvergleichliches sucht. Überall freundliches, zuvorkommendes und gekonnt zurückhaltendes Personal: Im Clubbüro, im Proshop, an der Reception, die Greenkeeper auf dem Platz...

Der Eindruck: «hier ist der Platz etwas Besonderes», wachen wir von einem Mitarbeiter abgewiesen und fahren zum weit entfernten Loch 1 des Platzes Le Chateau. Golfplätze sind im Greenfee enthal-

ten, was bei dieser weitläufigen Anlage durchaus Sinn macht.

Wir tauchen ein in eine zauberhafte Landschaft, in die der Kurs *Le Château* eingebettet ist. Er ist neben *Le Riou* (dieser ist Hotelgästen und Clubmitgliedern vorbehalten) der etwas längere der beiden 18-Loch-Par-72-Kurse.

Begeistert haben uns die sehr abwechslungsreichen Bahnen inmitten einer wunderschön gestalteten Pflanzenwelt, waren unsere Erwartungen an den Zustand des Platzes doch angesichts des diesjährigen besonders heißen und trockenen Sommers nicht sehr hoch. Ja, hier tut man alles erdenkliche, um dem Spieler einen angenehmen Golf-Tag zu ermöglichen.

Sehr gut gefallen haben uns die kurzen, aber doch kniffligen Par-drei-Löcher, die man sehr präzise spielen sollte – was uns leider nicht immer gelang ...

Besonders die Par-4-Bahnen, sechs davon über 350 Meter, verlangen vom Spieler lange Abschlüsse, um den Ball so zu spielen, dass noch ein Par er-

reicht werden kann. Bei drei der vier Par-5-Löcher mit einer Länge von etwa 450 Metern ist die Chance weitaus größer. Die 18 Höhepunkte an diesem Tag waren die Greens – perfekt gepflegt, pfeilschnell, spurtreu und gnadenlos, wenn man die Puttlinie falsch gelesen hat. Während der Fahrten von den Greens zu den nächsten Abschlägen sind die Distanzen schon mal groß, und so sieht man auch, mit welchem Einsatz diese Anlage gepflegt wird. Saubere Wege, präzise gestutzte Hecken und Büsche zwischen den Fairways, Landschaftspflege in Perfektion. Mährückstände im Semirough oder gehäuft im Gebüsch werden Sie hier nicht finden. Von den sanitären Anlagen auf dem Platz ganz zu schweigen, Sauberkeit und Hygiene sind in Terre Blanche Standard. An diesen tollen Golf-Tag in der entspannten Einsamkeit der Provence werden wir uns noch sehr lange erinnern!

Übrigens... das anfangs beschriebene «besondere Gefühl» hielt beim Genießen des köstlichsten *Chocolat chaud* der Provence auf der Terrasse des Clubhauses nachhaltig an. ▀

TEERING OFF ON THE CÔTE D'AZUR

TERRE BLANCHE

“A very special feeling...”

From the very start – with a warm and welcoming smile from the security guard at the imposing, gated entrance to this five-star resort – we have a special feeling about Terre Blanche. Located close to the Provençal villages of Tourrettes and Fayence, this hotel and golf complex is often described as a 300-hectare paradise, a one-of-a-kind destination in the heart of the French Riviera. All staff, from those in the Proshop to the greenkeeper we meet in the square, are friendly, attentive and intuitive to your needs: true professionals. We must have been wished ‘Bonjour’ a hundred times on the late summer day we visit. All employees are committed to providing a sublime level of service.

One such team member suggests we drive out to the first hole of the 18-hole par 72 Le Château course. Thankfully golf carts are included in the green fee, which makes sense at this extensive facility. As we arrive to tee off, we realise the grandeur of this magical landscape. Alongside Le Château is Le Riou, a slightly

shorter course that is reserved for hotel guests and club members.

The quality of Le Château, which has 6,044 metres of yellow, is for every golfer to decide for themselves. Visually it is stunning and beautifully landscaped, but after a long and hot summer, our expectations for the condition of the greens is not particularly high. We are very pleasantly surprised; all aspects of the course have been kept in peak condition to allow for an exceptionally good day’s golfing. We enjoy the short but tricky par 3 holes, which demand precise motions and aim – something we aren’t always able to match. The six par 4 holes – all of them over 350 metres in length – require long strokes if the par is to be met. With three out of the four par 5 holes owning a length of around 450 metres, our chances are much higher. Personally, the 18 highlights of this September day are the greens: perfectly maintained, fast, pithy and merciless. The long distances from one green to the next tee off enable us to better appreciate the

natural and manmade beauty of the place. Clean pathways belie neat hedges and bush; landscaping at its finest. The sanitary facilities barely need mentioning as we’ve already come to anticipate the five-star quality of Terre Blanche. I could continue to compliment this wonderful resort, but that would be beyond the scope of my column. The very informative Terre Blanche website has all the important information you should need ahead of a visit.

On the subject of ‘peace and solitude’, I must make one comment. Golf media and online forums often mention disruption caused by the starting of small aircraft and noisy sailors. I think all should be allowed to enjoy the impressive rural setting and exercise their passions whether on the ground or above it. We have had a truly great day of golf in this relaxed part of Provence and it is one we will remember for a long time.

We are left with the same ‘special feeling’ we experienced at the start as we sit on the terrace of the clubhouse enjoying a drink. Happy, we part the resort with kind words from the porter as we leave later that afternoon. ▲

TERRE BLANCHE HÔTEL SPA GOLF RESORT, ФРАНЦИЯ

Это идеальное место для семейного отдыха, особенно если глава семейства «укушен жучком гольфа». Два чемпионских поля дизайна Дэйва Томаса не раз принимали этапы Евротура как лучшие в Провансе. Академия гольфа Дэвида Лидбеттера гордится уникальными тренажёрами и биомеханическим тестированием. Не менее почитаемое место в отеле – спа-комплекс (3200 кв. м), с открытым и закрытым бассейнами, специальными оздоровительными

и эстетическими программами (в том числе для детей и подростков) и фирменной косметикой Terre Blanche, изготовленной в Грасе по спецзаказу. И всё же Прованс – это всегда про еду и вино, даже если вы и считаете целью поездки переход на бескомпромиссный ЗОЖ. Terre Blanche Hôtel Spa Golf Resort – не исключение: кухней четырёх ресторанов отеля заведует Филипп Журден, обладатель двух мишленовских звёзд. Поверьте, ему есть чем вас удивить.

- Rawlinson Cup au golf de Valescure (contre le par).

Le 14 novembre

- Mardi des Dames au golf de Valgarde à La Garde.

En cette période plutôt calme de novembre, Terre Blanche va faire l'actualité ce week-end puisque s'y tient le grand prix messieurs amateurs de la Ligue PACA. Une compétition de très haut niveau qui va faire le plein, avec 90 joueurs venus de toute la France!

Le tournoi va se dérouler en 54 trous, c'est-à-dire en trois jours sur le parcours du Château, à partir de vendredi et

jusqu'à dimanche. Compte tenu de l'engouement suscité par cette compétition et du niveau des joueurs, le tournoi vient d'être classé en catégorie 0, la plus haute catégorie dans la hiérarchie des tournois amateurs en France.

Une dizaine de Varois en lice

Tous les meilleurs Français amateurs seront en effet pré-

sents, classés pour la plupart en première série nationale. Le seul équivalent en France, c'est au printemps, à Fontainebleau. Terre Blanche va donc s'animer pendant trois jours, avec, on l'espère, une météo clémente.

Parmi les golfeurs en lice, on note près d'une dizaine de Varois qui ont réussi à se glisser dans cette sélection où les index sont inférieurs à 3. Louis Darthenay (Frégate), Jasper-Jo Rives (Loustau), Romain Moquet (Valescure) et un fort contingent de Terre Blanche - avec Romain Vallaeys, Dylan Allen, Baptiste Achard, Matteo Rosselet et Rodolphe De Heer - porteront donc la bannière varoise, avec peut-être de bonnes surprises ?

Le combat va être difficile, en particulier avec un nombre important d'espoirs, dont plus d'une vingtaine de compétiteurs titulaires de la licence Or U16 de la fédération...

La « patience » récompensée

Premier sur la liste d'attente, Amaury Dumas (index 3.5), du Provençal, a vu sa «patience» récompensée, puisqu'il a remporté son premier Grand Prix sur le parcours de Massane. Sa belle régularité (70-70-69) lui a permis de devancer Louis Darthenay (index -1.6), de Dolce Frégate (70-71-71), et Romain Vallaeys (index -0.7), de Terre Blanche (68-72-74). Côté dames, Marie Pardi (index -0.6), du GC Lyon, n'a dû qu'à son ultime carte de 71 de remporter l'épreuve, alors qu'elle avait abordé le 3^e tour avec deux coups de retard.

Desperate to take a step back from your hectic life?

If you, or your non-golfing partner, are in need of some pampering, but you don't want to leave the clubs at home, then [Europe](#) has some of the best golf and spa resorts on the planet.

Guaranteed to inspire, both on and off the course, you can be sure that these five resorts really do have it all.

Finca Cortesin

Many places boast that they are luxurious and offer a great escape from the stresses of modern life. It's an attractive prospect. However, not many can compete with the elegant escapism that you get at [Finca Cortesin](#). The staff at this opulent, yet understated, destination are here to ensure your happiness.

[Finca Cortesin](#) offers one of the most exclusive golf breaks in [Europe](#). Located in the rolling hills of southern Spain, the [Andalusian](#) resort serves up a slice of heaven. A three-time host of the Volvo World Match Play Championship, Finca Cortesin's immaculately maintained 18-hole course is regularly ranked among the best layouts in [Spain](#). At nearly 7,500 yards, the par-72 course it is also among the longest.

Nestled between the Mediterranean and the tranquil Casares Mountains, a grand spa awaits golfers when they step off the 18th. One of the highlights of the spa is the snow cave. This is the first of its kind in Spain and is an experience like no other. It's the perfect place to cool down after a round of golf in the sun! You'll also enjoy the indoor heated and salted pool as well as the two outdoor pools. The award-winning wellness centre offers treatments by the French beauty brand Biologique Recherche.

Terre Blanche Hotel Spa Golf Resort*****

Terre Blanche may well be the ultimate golf lovers' paradise. Being just 45 minutes from Nice Airport, the resort is situated in the peaceful Provencal countryside facing hill top villages, and feels a world away from the undiscovered and secret part of the French Riviera.

A member of the Leading Hotels in the World, the 5* resort features 115 suites and villas, as well as two championship courses. Both are out of the very top draw. Dave Thomas was the mastermind behind the two layouts, Le "Château" and "Le Riou" are spectacular by their stunning natural environment respecting the existing landscape. The tree-lined layout only opened in 2004 but merges effortlessly into the undulating landscape, and is rightly a regular feature among the rankings of the top-15 courses in Europe and is part of European Tour Destination.

A favourite hideout for the rich and famous, the bliss continues once you step off the eighteenth green. An infinity pool lapping against the spectacular Côte d'Azur panorama sits at the heart of the 35,000-square foot spa, which offers everything from a hammam and beauty salon, to Carita & KOS Paris signature treatments facials. The enchanting setting has made Terre Blanche one of the best-recognized spas in the South of France. After a day of pampering, four restaurants await, including Le Faventia, which was awarded a Michelin star in 2016 following the return of acclaimed chef Philippe Jourdin. Explore the best golf & spa as pure Luxury!

Evian Resort Golf Club

Situated on the lapping shores of Lake Geneva, the **Evian Resort** is an elegant essay in luxury. Home to the Evian Championship, the women's fifth major, the French resort is bestowed a majestic setting in the heart of the Alps.

The layout is one of the most beautiful in **Continental Europe**. Winding its way through mature woodland, unrivalled viewpoints of **Lake Geneva** and the Alpine summit feature throughout. The undulating layout, which dates to 1904, underwent a large overhaul five years ago. The result is spectacular, and has helped cement the Evian Resort's place among **France's** other world-class courses.

The Evian Resort offers two luxury hotels, the 5-star Palace Hôtel Royal and 4-star Hôtel Ermitage as well as the Manoir du Golf which is not a hotel but yet so enjoyable to stay at.

Healthy living has always been at the heart of the **Evian Resort**. Located at the source of Evian water, there are three spas and wellness centres, each promoting their own philosophy to create a trio of indulgent slices of Alpine heaven.

Verdura Resort

Verdura Resort was described as paradise by Álvaro Quirós on his way to victory at the Rocco Forte Open in May 2017. With three sublime Kyle Phillips designs, both of which overlook the Mediterranean's azure waters, and a 5* experience to rival any resort in **Italy**, it's hard to disagree. Verdura's **East Course** is ranked as one of **Europe's** finest golf courses. Meanwhile the **West Course** provides the ideal complement and features one of the most memorable finishes anywhere in the world.

Spread over 4,000 square metres, the exclusive Sicilian resort's wellness centre is the epitome of cool and boasts a whole host of relaxing treatments. Those looking for a more bespoke experience can also enjoy Verdura's signature programmes, which range from fit, to relax and wellness.

Away from the fairways, guests should be sure to enjoy the food, wine, and culture that has made **Sicily** famous world-over.

The Chedi Andermatt

Alpine chic and Asian style might sound like an unusual mix. At The Chedi [Andermatt](#) the result is nothing less than pure luxury.

[Switzerland](#) has long been known as among the most beautiful places on the planet. Add in a spectacular 18-hole golf course and an award-winning spa, and you have the makings for an unforgettable trip. The Asian influence makes for a striking and unique resort, specifically built with relaxation in mind. The outrageously beautiful 35m indoor pool is the highlight of the award-winning The Spa and Health Club. Guests can also experience a 60-minute Alpienne Mountain Massage.

Meanwhile the [Andermatt Swiss Alps Golf Course](#) is located in the picturesque Ursener Valley, and also affords superb mountain views. The course itself, which carves its way between the Ruess River and the Alps, is surprisingly flat, and was voted 'Switzerland's Best Golf Course' at the 2016 World Golf Awards.

Неземная красота Вердонского ущелья

Есть уголки на планете, которые входят в негласный список «must-visit» среди именитых travel-корреспондентов. И именно такое место уютно расположилось во французском регионе Прованс между сказочными деревушками Мутье-Сент-Мари и Кастеллан. Легендарное ущелье Гран Каньон дю Вердон – гордость европейского ландшафта. Безусловно, на лавры рекордных габаритов Гранд-Каньона в Аризоне ему претендовать не придется: глубина американского гиганта составляет в некоторых местах до 1800 метров, что в два раза больше глубины Вердонского ущелья. Но отвесные скалы, живописные пейзажи и немыслимого бирюзового цвета река Вердон, берущая свое начало на высоте 2150 м в Прованских Альпах, обеспечивают этому месту лидирующие позиции по откликам обескураженных туристов. Преимущества ему добавляет географическое расположение: вам придется преодолеть всего 50 км, чтобы оказаться на французском побережье Средиземного моря или не многим больше 100 км, чтобы добраться до Ниццы и Канн. Вертолетная экскурсия над природным творением времен Четвертичной эры покорит даже самого искушенного путешественника, а отличным местом утолить накопившийся от эмоций голод может стать ресторан Chez Bruno,

расположенный в прованской коммуне Лорг на юго-востоке Франции, где вы сможете вкусить наилучшие сорта трюфелей, без которых в этом ресторане не обходятся даже десерты.

Летим: на юго-восток Франции

Погода: +28 градусов, солнечно

Запоминаем: Вердонское ущелье – излюбленное место скалолазов (здесь есть возможность одолеть более 1500 альпийских маршрутов), пеших туристов, рыбаков (очень многие предпочитают необычные способы рыбной ловли в самом ущелье), пеших туристов и любителей рафтинга, парапланеризма и каноэ. Отдельную изюминку добавляют поиски многочисленными исследователями таинственной системы пещер, располагающихся в недрах ущелья, которая по сей день так и не найдена. Словом, красота и мистика в одном месте!

На 7-м небе от великолепия Амальфийского побережья

Каков бы ни был маршрут вашей вертолетной экскурсии над Амальфийским побережьем полуострова Сорренто, он непременно охватит уникальные по своей красоте места! Раскинувшиеся на побережье Средиземноморья магические утесы и непостижимым образом расположившиеся на них разноцветные домики, оливковые и апельсиновые рощи, средневековые церкви, виноградники и лимонные поля – все это не только составляет Всемирное наследие ЮНЕСКО, но и истинный рай для «travel-гурманов». Созерцание этого великолепия с высоты птичьего полета и приземление на вертолетную площадку виллы премиум-класса Villa Cimbrone станет для вас одним из самых незабываемых впечатлений. Кстати говоря, первые упоминания о вилле датируются еще XI веком, и за свою многовековую историю это место стало настоящим символом аристократического отдыха – здесь ваши желания будут угадываться и незамедлительно воплощаться в сказочную реальность, а мишленовский ресторан "Il Flauto di Pan" продлит ваше приятное послевкусие от этого земного рая!
